

PE Bag Labeling Machine T120

GST120 Labeling Machine is one of the tippets cell phone protect film, computer touch screen labeling machine, PE bag Labeling Machine in China. Stable and high speed labeling for screen protector.

PARAMETERS

Power	AC110-240V, 50/60Hz
Labeling Capacity	60-240 pcs/min
Labeling Accuracy	±1.0mm
Applicable Product Size	Length (direction of transportation) 60mm~250mm,
	Width 70mm~300mm, Thickness ≤2mm
Applicable Label Size	Width (backing paper width) ≤80mm,
	Length (roll label direction) 6mm~80mm
Conveyor Height	750mm (Customizable)
Dimensions	1900 (L) *1000(W)*1700(H)(mm) (not include card device)
Weight	300KG
PLC	Panasonic
Sensor	Leuze
