

## *TFP-CS30 Automatic Faster Speed Flap Folding Carton Sealer with Safety Door*

Automatic carton folding sealing machine is also called auto tape sealing machine or auto carton tape sealer. It is suitable for sealing and packaging of cartons, which can be operated stand-alone or used with assembly lines.

### **Applications**

Automatic Flap Folding Carton sealing machine is mainly suitable for sealing and packaging of cartons, which can be operated stand-alone or used with assembly lines, and is widely used in household appliances, textiles, food, department stores, medicine, chemical and other industries. The sealing machine adopts tape to seal the carton, which is economical and quick and easy to adjust, and can complete the automatic sealing action at one time, such as the use of printing tape, which can improve the product image.

### **Technical Parameters**

<b>Machine Model</b>	<b>TFP-CS30</b>
Tray/Box Size	(200-650)x(150-480)x(120-450)mm
Production capacity	Max30 pcs/min
Gas consumption	150NL/min
Gas pressure	0.4-0.7mpa
Power supply	380V/220V;50-60Hz, 0.3Kw
Machine dimension	1800x1150x1200mm
Machine weight	200Kg
